ePortfolios are a way to collect and reflect on your best work, projects, and experiences in college. Our ePortfolios are organized by the university’s student learning outcomes, which map to the skills most valued by employers.

Getting Started

1. Create your Wix Account at www.wix.com
2. Send your Wix account email address to the instructor
3. Your instructor will add the template to your account
4. Accept the transfer through the automated email received
5. Begin modifying and adding your work
6. Share

Add → Organize → Reflect

Add Content

1. Design the background to make your pages look professional
2. Start adding content to the pages and create new pages (if needed)

Rename to semester name

Similarly, create “Extra Curricular” pages
Organize by Learning Outcomes

“X” represents an intersection of Learning Outcome and Activity
E.g. The “X” above will take the reviewer to the LO 1_Projects page
Add “Xs” to the table (as needed), and hyperlink to the respective Learning Outcomes pages

Reflect

Reflection on courses that helped me achieve Objective 1
Click me and tell your visitors what's in your gallery.

Course No.
I'm a paragraph. Click here to add your own text and edit me. It's easy. Just click "Edit Text" or double-click me and you can start adding your own content and make changes to the font. Feel free to drag and drop me anywhere you like on your page. I'm a great place for you to tell a story and let your users know a little more about you.

Add projects Reflect

1. Add projects, work experiences, study abroad experiences, etc.
2. Upload artifacts (assignments/projects)
3. Reflect: keep it short (3-5 sentences)

At the end of each semester:
1. Reflect on each course
2. Write an overall reflection of the semester
